

Dear Colleagues,

We are pleased to announce that Scientific Program of the 26th International Conference on Ultra-Relativistic Nucleus-Nucleus Collisions (Quark Matter 2017) has been finalized and detailed list of all presentations is now available on our Indico site <https://indico.cern.ch/event/433345/contributions/>.

All presenters are required to confirm their participation in the event by completing conference registration by **December 1st**. The meeting timetable will be finalized shortly after that.

Registration

Please note the upcoming early registration deadline of **December 1st, 2016**. The registration fee will increase after that; we encourage you to take advantage of the early registration discount completing your registration in time at: <http://qm2017.phy.uic.edu/registration.php>

Accommodation

Room reservation at the venue with a discounted conference rate is available until **January 6th, 2017** through the conference web site. We advise you to book hotel rooms as early as possible:
<http://qm2017.phy.uic.edu/accomodations.php>

Young Scientist Support

Young participants supported by the conference are requested to confirm accepting the award by completing the registration process by **November 20th, 2016**. After this date unclaimed support funds will be re-allocated to the young participants remaining on the waiting list. For additional information on support please refer to the Young Participant page of our webpage:
<http://qm2017.phy.uic.edu/youth.php>

We look forward to seeing you in Chicago soon!

Local Organizing Committee of Quark Matter 2017
